Annexure

Sustainable Development Goals (SDG)

Objectives of the SDG Cell:

1. To ensure systematic data collection, documentation, and reporting of SDG-related initiatives.
2. To align university policies and initiatives with the UN Sustainable Development Goals.
3. To enhance institutional rankings and accreditation scores through SDG-linked activities.
4. To facilitate interdisciplinary research and projects that contribute to sustainable development.
5. To organize workshops, training programs, and awareness campaigns on SDGs.
6. To collaborate with national and international organizations for sustainability initiatives.

Deliverables of the SDG Cell:

1. Annual SDG Report submission as part of accreditation and ranking frameworks.
2. Framing of sustainability-focused policies and guidelines for the university.
3. Development of a database for tracking SDG-related research, projects, and community engagements.
4. Coordination with different schools and departments to integrate SDGs into the curriculum.
5. Regular assessment and improvement of sustainability initiatives on campus.
6. Organizing SDG impact assessment and stakeholder engagement programs.

The SDG Cell will function in the Office of the Dean – QAR. All departments concerned and faculty members are requested to extend their support to the newly established SDG Cell.
